The family of Alva Morrow..

would like to thank our church family for their overwhelming support and love during the funeral, and surrounding days, of our much loved Mother. A special thank you to David Rutherford who conducted the service affectionately, giving GOD all the glory. We were greatly touched by the amount of support and prayer from our church family. Words cannot express our appreciation to the ladies of the church who provided a beautiful meal for our friends and family. **Psalm 49:15** "But God will ransom my soul from the power of Sheol, for he will receive me.
